

whether you need a tyre for speed, liveliness, or for hard, heavy wear, you will find "just the thing" on Stand No. 115.

**BATES BROS. 137**

This will be one of the most interesting stands in the lightweight section. Here will be demonstrated the success attained by Bates with Cantiflex tubes and Diadrant forks, the patented features of this firm that have become famous. A prominent feature of the new programme is the introduction of new styles and shades in finish. A
