THE MOTOR CYCLE

24 MAY 1956

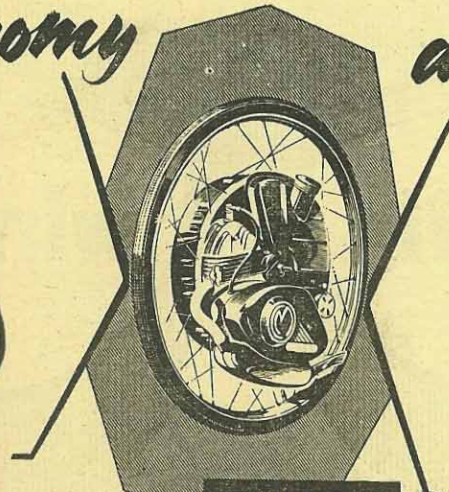

3 for Economy and Value!

Berini

£67.14.1
INC. P.T.

Luxury Cyclemotoring
 The 49 c.c. engine of the BERINI gives tremendous performance—up to 38 m.p.h. with a fuel consumption of 180 to 200 miles to the gallon. Two-inch tyres and spring forks combine to give luxury standards of comfort with safety and confidence in handling.

Cyclemaster

£30.18.3
INC. P.T.

The Magic Wheel

The great advantage of the precision built CYCLEMASTER wheel is that it can be fitted to any make of bicycle or tandem and provides positive drive through chains—and *not by tyre friction*. The performance of this sturdy 32 c.c. engine is astounding—200 m.p.g., speeds up to 25 m.p.h. and power to climb gradients of 1 in 12 unassisted. Built-in back-peddalling brake, dynamo lighting and simple controls make the Cyclemaster the cheapest personal transport today.

Cyclemate

£46.12.3
INC. P.T.

Greatest Value Ever!

The CYCLEMATE incorporates the famous Cyclemaster engine in a new form with a bicycle specially designed by Norman Cycles Ltd. The frame is built of heavy gauge tubing throughout. The strong carrier enables large panniers to be fitted. For light weight, smoothness and fuel economy, the CYCLEMATE offers the greatest value ever at only £46.12.3 inc. tax.
