CYC-AUTO, LTD.

No. 20

Often when on a club run we hear the expression, "I wish my bike was fitted with a little engine!" Often, of course, such an ejaculation is made purely in a jocular fashion, but there are many to whom the Cyc-Auto will have a definite appeal. Of very neat appearance, and low in cost, the Cyc-Auto is, as the name implies, a combination of a motor-cycle and a lightweight bicycle. Priced at £16 16s., with tax 12s. and insurance at 7s. 6d. the Cyc-Auto will be one of the most interesting exhibits at Olympia.
