DUNLOP TYRES

“Kindly accept my thanks for dealing so leniently and honestly with me in the matter of re rubbering my Tyre. Had I been able to account for it going as it did I would not have written you in the first instance. Your generosity and kindness will not be thrown away, and, under the circumstances, I am bound to speak in your favour. It so happens that I am able to put in a word in many places frequently.

Again thanking you.

MUCH TALK IS WEARISOME.

Let what you have to say
be BRIEF,
and to the POINT.
Well, then,

DUNLOP TYRES

Were **FIRST** in 1888, and have been
FOREMOST ever since.

They have won the World's Classic
and Long Distance Races.

They have broken records and won
championships.

They are the voluntary choice of
crack riders and shrewd cyclists.

They suit every rider, lady
or gentleman.

They are readily manipulated, and
pre-eminently safe, durable and easy.

They are the cheapest,
because best.

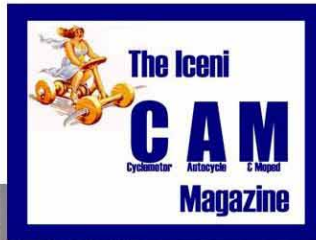

You will be greatly pleased with the
Artistic Booklet, "**All About DUNLOP TYRES for 1897,**"
which will be sent to you Post Free, on application.
