 which is the new angle "531" model  
 K.S. at £7 10s.

**DUNLOP 116**

Every cyclist will find in the Dunlop  
 range every kind of tyre and accessory  
 for his purpose. The Dunlop "Fort"  
 cycle tyre is now available with a new  
 tread at 8s. 6d. (tube 3s.). This stand  
 will have an "Historic Corner," showing  
 the development of the pneumatic tyre  
 and with a number of old machines  
 displayed. There will also be a "Club-  
 men's Corner."  
 Tyres for the racing man are a Dun-  
 lop speciality. You will be interested  
 to examine the types used in the Wem-  
 bley "Six."
