MOTOR CYCLE AND CYCLE TRADER, 6 NOVEMBER 1964

### MR. LEVY VIEWS IN FULL

... flood of imported motor cycles, it is likely to be generally acceptable.

#### HELDUN FACTORY COMPLETED

Heldun Engineering Company, previously known as Heldun Developments, announces that its new factory premises at 97 Condoval Industrial Estate, Condoval Airfield, Dorrington, Shrewsbury, Salop, have been completed and that production of its featherweight motor cycles is now imminent. Two new directors have been appointed—N. G. Stone and R. E. Gaunt.

Examples of the company's products will be featured on the stands of Westpole Products and Filtrate Ltd. at the Earls Court Show.
