## Dealers agree!

THE FULL-SIZED JAMES 150 SCOOTER GIVES YOU FULL-SIZED VALUE FOR MONEY

Your local dealer will be pleased to explain why this model is today's top value in scooters! With built-in reliability, safety, comfort and economy, plus many exclusive features—the James 150 costs you only £129.12.0. No other scooter can compare in terms of sheer value!

Consider these important features:—

- Reliable 149 c.c. two stroke engine to give power through <u>four</u> speed gearbox.
- Exceptionally sturdy frame.
- Large wheels to give good roadholding on any type of surface.
- Distribution of weight designed for safe easy road-handling.
- High petrol economy at cruising speed.
- Built-in Luggage compartment.

Take this short cut to your James 150!

JAMES SCOOTERS ARE MADE BY THE A.M.C. GROUP FIRST AND FOREMOST MAKERS OF TWO-WHEELED TRANSPORT.

To : James Motor Cycles Ltd., Gough Road, Birmingham, 11
