

JOHN BULL TYRES

for every purpose

DEEP GRIP

The ideal motor cycle tyre for all conditions. Gives complete security on all types of surface.

RED SPOT

A roadster cycle tyre of great endurance, with a thick tough tread on a reinforced casing.

SAFETY ROADSTER

The non-skid Ratchet Tread for safe braking and easy acceleration.

CLUB

A fast, resilient sports tyre that is strong enough for cross-country trips.

GRANBY

A sound tyre at a popular price, with a deep, robust tread on a sturdy foundation.

GRISTLY

Made in pure "Gristly" rubber, this tyre is unsurpassable for sheer strength, trouble-free mileage, and light, easy running flexibility.

SERVICE

A deep, durable tread on a strengthened casing. Built for exceptional service in any conditions.

SAFETY SPEED

The tyre that has enabled professional cyclists to break road racing records in all weathers.
