MOBYLETTE

The world's best range of fully automatic mopeds

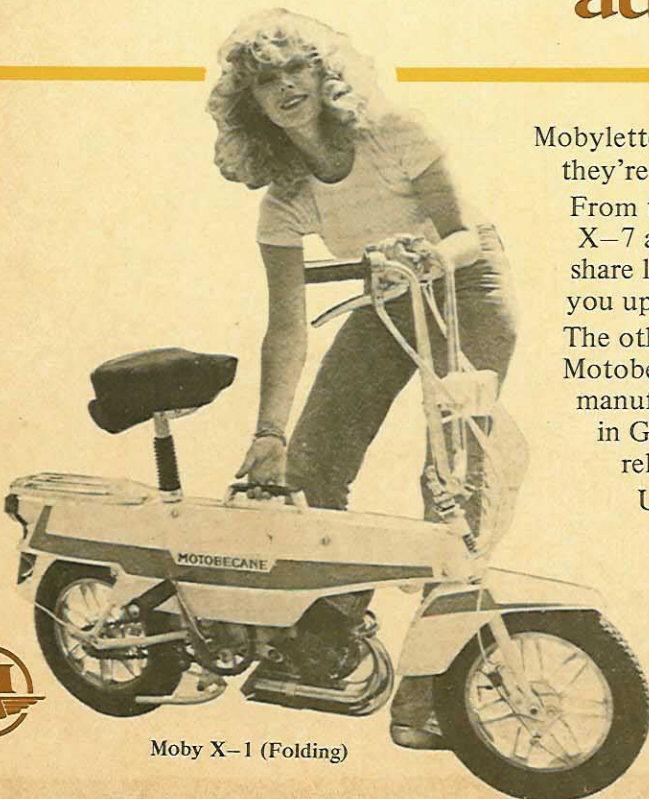

Mobylette mopeds are easy to ride, easy to park, and they're easy on the pocket, too!

From the inexpensive Commuter, to the sleek Moby X-7 and the luxurious Mastermatic, all Mobylettes share low cost tax and insurance – and they can give you up to 195 miles to every gallon*.

The other big feature of Mobylette is reliability. Made by Motobecane of France, the world's largest moped manufacturer, Mobylettes have been sold and serviced in Great Britain for 25 years – a longer record of reliability than any other make.

Use a Mobylette, and save time, money and effort!
