GET ON TO A GOOD THING

Mobylette
MASTER MOPED

**The Moped
with Sales Appeal**

There are over 1,370,000 SATISFIED MOBYLETTE OWNERS throughout the world to-day—which is proof enough of its popularity and reliability.

200 m.p.g. 25 m.p.h.

Designed to give years of trouble-free riding, the Mobylette offers extreme simplicity with robust construction, a lively performance and amazing economy.

Weighing only 65 lbs. it is the ideal Moped for men and women of all ages, and by the movement of one simple control the engine can be disconnected and the machine pedalled as easily as an ordinary bicycle.

STANDARD MODEL
