 improve it, rather than cut down prices.

NORTH BRITISH RUBBER CO., LTD., EDINBURGH.  
 (86 and 87)

This exhibit will consist of a full range of cycle and motor cycle  
 tyres, including the new Clincher touring tyre in both beaded and  
 wired edge, as well as the 1 1/4 A Won tyre recently introduced.  
 General rubber goods suitable to the cycle trade, i.e., pedal rubbers,  
 brake blocks, poncho capes, etc., will also be exhibited.

...sections of the solid tyre, are also exhibited.  
 NORTH BRITISH RUBBER CO., CASTLE MILLS, EDIN-  
 BURG. (86 and 87)

The Clincher tyres of latest designs are here exhibited. The  
 novelty for 1907 is the Clincher Touring cycle tyre. The tyre is  
 of ordinary beaded pattern, rather thicker, and the tread of thicker  
 substance, and of better quality rubber. It has been produced in

...response to a demand for a better quality tyre. The price is  
 slightly in excess of ordinary standard patterns. The  
 other designs are of the well-known Clincher of last year. For  
 motor cycles, the A1 Clincher is of 2 1/2, 2 3/4, and 2in. diameter of  
 usual standards. These are made extra if desired, at a small in-  
 crease for high-powered vehicles of cycles and tricars. They have  
 also special Military and Post Office tyres for hard work and cycle  
 commercial purposes.
