Cantilette

The bicycle that's different

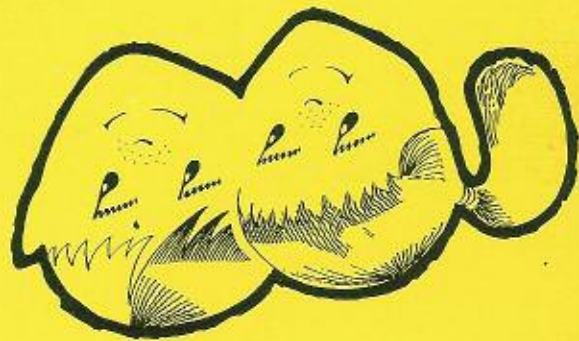

These smart Cantilettes, and other Phillips Cycles are available at your local dealer, who will be pleased to give details of Easy Payment Terms if required.

PHILLIPS CYCLES LIMITED

SMETHWICK · BIRMINGHAM

Definitely different—these Cantilettes are styled right, styled bright! The frame tubes curve in a smart modern style—a design which broke export figures in Lightweight bikes in America. This is the bicycle that combines sports features and eye catching colours, with the traditional quality and good design associated with Phillips Cycles.

Follow the fashion,  
and ride TODAY'S bicycle!

**A thrill for  
every modern  
young rider**

## *Specification*

The frame is of modern Cantilever construction finished in flamboyant Fuschia, contrasting with the Primrose Yellow mudguards, Powder Blue chainguard, contemporary saddle and bag and 26" x 1 1/4" white wall tyres. Other smart features are the alloy pedals with white

rubbers and reflectors, the white grips on the All-rounder handlebars, a distinctive fork crown, colourful transfers and Resilion Crimson Star 3-speed derailleur gear. On the Ladies' Cantilette the gear is a Sturmey-Archer 3-speed Hub. Both models (Men's P41, Ladies' P42), are £22 17s. 0d. and Excelite Dynamo Lighting as shown is available at £1 10s. 0d. extra.
