

Raleigh

Cycles are having a show all to themselves this year at

41, HOLBORN VIADUCT, E.C.,

and it is there that every Agent should go directly he sets foot in London.

For there he will find the Raleigh Models for 1907, which will contain many new features—improvements that will make Raleighs more popular than ever—that will increase the Trade of every Raleigh Agent.

The Terms, too, will be all that can be desired. They will enable the Agent to make a good profit on every bicycle he sells—a profit that will allow him to live and to put by a bit as well.

We shall be delighted to have a talk with you personally, for we are anxious to show you exactly how and why a Raleigh Agency will benefit your pocket more than any other.

Make it your business to call on us.

The 1907 "Book of the Raleigh" will be ready. Be sure you obtain a free copy.
