Part No. MTP 149.R.M.6. Headlamp.

We are sorry that we no longer have stocks of the above headlamp and that it has proved impossible to manufacture further supplies at an economic price.

The only alternative which we can offer is the MTP 250 lamp, the trade price of which is £4.68. This is the $4\frac{1}{2}$ " export type of headlamp fitted with a double filament bulb, 6v 15/15w.

It has been necessary for your order for MTP 149 to be cancelled and we await your instructions regarding the supply of the MTP 250 type.
