# Guarantee and terms of business

## NOTICE

"SUN" Autocycles are delivered carriage paid to the nearest Railway Station in England, Scotland and Wales.

We do not appoint Dealers for the sale on our behalf of our Motorised Bicycles or other goods, but we assign to Dealers areas in which we supply to such Dealers exclusively for re-sale in such areas. No such Dealer is authorised to transact any business, give any warranty, make any representation or incur any liability on our behalf.

## CONDITIONS OF SALE AND GUARANTEE.

We give the following guarantee with our Autocycles, including all accessories and component parts other than Tyres, Saddles, Chains, Lighting and Electrical equipment, and other than accessories and component parts supplied to the order of the purchaser and differing from those comprised in our standard specifications.

This guarantee is given in place of any implied conditions or warranties or any conditions whatsoever, statutory or otherwise—no guarantee except the hereinafter contained and no condition or warranty whatsoever, statutory or otherwise, is given or is to be implied, nor are we to be under any liability whatsoever, except under the guarantee hereinafter contained.

We guarantee, subject to the conditions mentioned below, that all precautions which are usual and reasonable have been taken by us to secure excellence of materials and workmanship, but this guarantee is to extend and be in force for six months only from the date of purchase, and damages for which we make ourselves responsible under this guarantee, are limited to the free repair of, or supply of, a new part or accessory in exchange for the part which may have proved defective. We do not undertake to replace or refix, or bear the cost of replacing or refixing, any such new part or accessory. This guarantee does not apply to the defects caused by wear and tear, misuse or neglect.

## CONDITIONS OF GUARANTEE.

If a defective part or accessory should be found in our Autocycles, or any other part or accessory supplied, it must be sent to us carriage paid, and accompanied by an intimation from the owner that he desires to have it repaired or exchanged free of charge under our guarantee, and he must also at the same time furnish us with the date of purchase, the number of the machine and from whom it was purchased.

Failing compliance with the above such articles will lie here at the risk of the owner, and this guarantee and any implied guarantee, warranty or condition, shall not be enforceable.

We reserve the right to alter the specification or price without notice.

Sun

*Auto  
Cycle*

A high standard of performance has always been associated with "Sun" Products. The efficiency of the Villiers de Luxe power unit fitted to all models of Sun Auto Cycles ensures an easy start at all times, and will provide miles of trouble-free transport. The simplicity of control allows almost any person to ride easily and the specially constructed low frame enables the Rider to place both feet comfortably on the ground when seated. As a means of overcoming the restricted train and bus services the Sun Auto Cycle is the ideal transport—it is easy to start, simple to ride, and economical to run.
