

The latest Sunbeam

The Sunbeam Olympic is a really high-class lightweight with a specification which will meet with the enthusiastic approval of clubmen who appreciate real quality and craftsmanship. 72°—70° frame of Reynolds 531; large flanged D.C. alloy racing hubs; D.B. spokes; G.B. alloy brakes—those are just a few of the highlights. It's a smart-looking machine too, finished in flamboyant violet with decorative transfers. Write now for full details.
