

ITALY'S 32ND MOTORCYCLE EXHIBITION

Accent on "Ciclomotori"—Light Autocycles—revealed by Milan Show now in Progress

Reported by JOHN THORPE

Rear-sprung and with a 48 c.c. engine, this is a typical example of "ciclomotore" such as is selling readily in Italy. It is the Vittoria-N.S.U. "Solitude" model.

MILAN, ITALY,
November 27, 1954.

NEW trend of design has begun in

callably damped swinging-fork rear suspension. It is unique in having the front mudguard incorporated with the legs of the swinging
