

# Piatti

## HAS REALLY GOT SOMETHING

With Easter nearly upon us, there is bound to be a big demand for the Piatti—the lightest fully-powered scooter made.

This all-British machine is one of the cheapest to run, is fully guaranteed for 6 months and replacement parts are easy to get.

Consumer advertising is creating the demand—make sure you're stocked up.

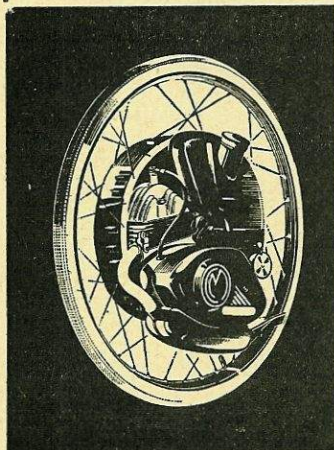

- ★ *The only fully-powered scooter with adjustable seat.*
- ★ *Low centre of gravity for safety and comfort.*

RETAIL PRICE £140.6.11 INC. P.T.

# Cyclemaster

## THE ORIGINAL "MAGIC WHEEL"

There are over 150,000 Cyclemasters in daily use, many of them six or seven years old. Each one is virtually a mobile advertisement—one of the reasons why the demand for the "Magic Wheel" is still so strong.

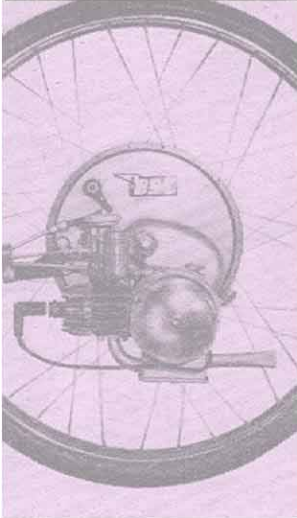

- ★ *Easily fitted to any standard bicycle.*
- ★ *Simple to maintain.*
- ★ *Replacement parts readily available.*

RETAIL PRICE 29 gns. INC. P.T.
