- £40 H.P. available

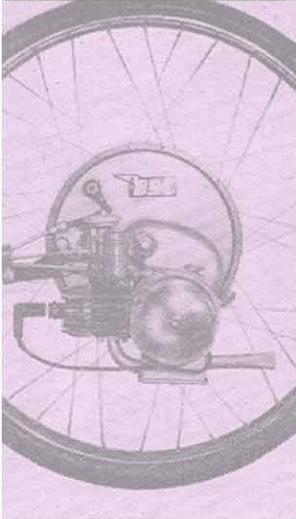

STOCKED BY
GAMAGES and
other leading stores

The great thing about the CUCCILO is that it is NOT a makeshift auxiliary. It's a perfectly designed power-unit, precision built and easily the finest of all cycle motors. No other auxiliary can compare with the CUCCILO for all round performance. Full particulars from your local agent or the distributors

BRITAX (LONDON) LTD. 115/129 CARLTON VALE, LONDON, N.W.6.
