SMALL-WHEEL CARRIER CYCLE

Taking the small-wheel bicycle craze a stage further Leonard Gundle Motor Co. Ltd., 99-105 Hockley Street, Hockley, Birmingham, 19, introduces a 20-in wheel carrier.

Selling at a basic £26 10s 0d with front carrier only, Model S has 20in by 2in by 1½in wheels at front and rear. A further machine, Model SS, has carriers at front and rear and sells at £31. Inside carrier measurements on both models are 22½in by 16½in by 9in.

Deliveries of these new carrier models start in January.
