Monthly payments shown refer to the Spread Your Payments credit scheme. Interest Free Option when you spend over £199 in a single transaction. Simply spread the price of your purchase across 24 equal monthly payments with no deposit to pay. Then within 6 months choose to either: Pay the balance in full before the sixth repayment is due and pay no interest or take advantage of this credit offer and continue to pay your monthly payments over the remaining 18 month period. Typical example of a 6 month Interest Free Option loan: Cash price of goods £250. No deposit to pay. Either a) 5 monthly repayments of £13.29 followed by the balance of £183.55 before the sixth monthly repayment becomes due, to settle the loan. Total amount payable £250. b) 24 monthly payments of £13.29, total payable £318.96. Spread Your Payments: Across 12 months – easy monthly payments when you spend over £30 on bikes and/or accessories. Example: Apollo mountain bike £39.99 12 equal payments of £3.48. Total amount payable: £113.78. All loans subject to status. 27.6% APR (variable). Not available to anyone under the age of 18. Written quotations on request from: Halfords Ltd, Icknield Street Drive, Washford West, Redditch, Worcestershire, B98 0DE. Prices and details correct at time of printing (October 2000). All items subject to availability. Specifications may change without notice. Items shown not to scale. Please note that due to the printing process colours may vary.
