

# KTM *'Race-bred'* motor cycles and mopeds

OF AUSTRIA

**COMET CROSS.** The sporting moped powered by the proven Sachs 49 cc engine. Four-speed foot control. Large 10-litre tank. Extra strong front telescopic forks. Hydraulic suspension. Full drum brake hubs. Stainless steel mudguards and sporting tyres.

**GRAND PRIX 50.** Sachs 50/4 DFX engine. Four speed foot change. Bing 17mm carburettor. Supersedes the GT50. A real eye-catcher in trendy blue and yellow.

**KTM 125, 250 & 400 MOTO-CROSS MACHINES.** New type Ceriana forks with 198 mm travel. New lightweight frame and swinging arms. Shoulderless Akront rims. Improved engine performance.

**WORLD 250cc MOTO-CROSS CHAMPIONS**

*'The symbol of quality'*
