## REYNOLDS' TUBES.

### IT'S NOW TIME — HIGH TIME,

that you thought about getting your catalogues, &c., ready for next season. Nine-tenths of the people with whom you do business have to judge of you by the printed matter you send out. It's vital that it should create the right impression.

We specialise in **PRINTING FOR THE CYCLE TRADE**, and turn out the best work at the lowest rate. Let us send you some samples, and figure on your requirements for 1907. It will be to your material advantage.

**HARDING AND CURTIS LTD.,**
