The official Reynolds Stand is **No. 160**. Yet, on numerous other stands of Britain's Best Cycle Manufacturers at Earls Court, you will find Reynolds "well and truly" represented in the very "framework" of advanced cycledom,

REYNOLDS "531" STEEL TUBING
 —no less than in the "accessories" to the fact,
REYNOLDS RR.56 ALUMINIUM COMPONENTS

On all Stands you'll find evidence that Reynolds stand for lighter and happier cycling, and at the REYNOLDS STAND itself you'll be further enlightened on the latest developments. Call and see us, will you?

If you can't get to the Cycle Show, write and ask for free literature.
